About US

Founded in 2015, USA LEDs distributes a wide range of lighting solutions for residential, commercial and specialty lighting needs. We pride ourselves in being a lighting solutions provider by offering our clients a broad line of innovative and high quality lighting products. We pledge to deliver superior customer service by employing and training a team of highly experienced lighting professionals.

Our mission is to distribute high quality energy-efficient lighting that offers unbeatable pricing. We strive to maintain a huge inventory in order to meet the needs of our clients as quickly as possible.

USA LEDs is committed to distributing products that are increasingly more energy-efficient; but also reduces installation costs by making our products fast and easy installation.

We ourselves have been in the hospitality business for over 15 years and know what our customers will need in order to increase their annual sales overall. We have been supplying hospitalities with quality products since 2015.
